AUTOFUSE PCB MOUNT HOLDER

Part Number	Description
00420	Fuseholder
00359	Clear cover

Rating: 15A
Voltage: 32VDC
Terminals: Tin plated phosphor bronze, Inox-steel clip.
Body: Black PA66, UL94 V2
Cover: Transparent PC
Pack Size: 5, 1000
Feature: This holder is a gangable so it can be stacked end to end or side to side.
Notes: Auto fuse is not included.
