

These cable splices provide a rugged, environmentally sealed connection for wire sizes that will insulate, seal and protect joints from physical abuse and abrasion, water, salt and other corrosive compounds.

Part Number	Connector	Wire Section	Wire Gauge	Colour	A (mm)	B (mm)	C (mm)
I880230	Butt Splice	0.75-1.25mm ²	20-16AWG	Red	15	37	4.2
I880240	Butt Splice	1.25-2.50mm ²	16-13AWG	Blue	15	37	4.9
I880250	Butt Splice	2.50-6.00mm ²	13-10AWG	Yellow	15	41	6.4

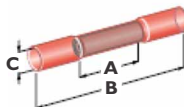

Barrel Type: Closed

Material Plating - Mating & Termination: Tin

Material Metal: Copper-Tin

Insulation: PE

Pack Size: 10, 50, 100, 500

1/. Insert both cables & crimp

2/. Apply heat to seal
