

# M205 FUSE HOLDER

Stelvio  
PCB Mount

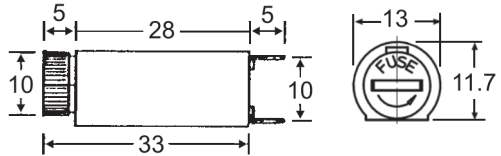

Part Number	Description
FH-PCV	Vertical Mount Fuse Holder
FH-PCO	Horizontal Mount Fuse Holder

**Rating:** 10A (UL) 10A (VDE)  
**Voltage:** 250V  
**Body Colour:** Black  
**Flammability:** UL 94 VO  
**Pack Size (box):** 10, 100, 1000

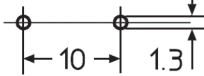

**Approvals:**   

**FH-PCV**  
(Vertical Mount)

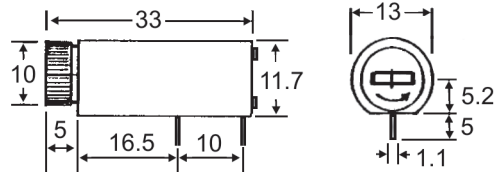

**Recommended  
Mounting Pattern**

Dimensions in MM

**FH-PCO**  
(Horizontal Mount)

# M205 FUSE HOLDER

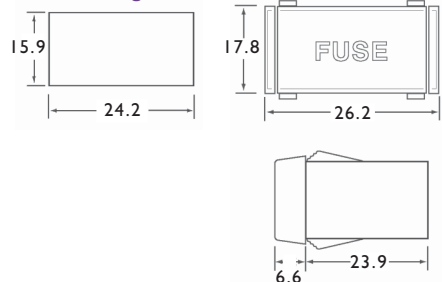

Littelfuse  
Low Profile Panel Mount

**Part Number**  
286677

**Rating:** 10A  
**Voltage:** 250V  
**Body:** Thermoplastic  
**Terminals:** Copper alloy, tin-plated.  
**Panel Thickness:** from 0.81mm to 3.18mm  
**Ambient Temp:** -40°C to +85°  
**Pack Size (box):** 10, 100, 1000  
**Notes:** Shock-Safe Design, Fuse carrier holds spare fuse for fast, easy fuse replacement and convenient servicing. Low profile design with snap-in mounting compliments modern panels.  
**Terminal Type:** 4.8mm Q.C or solder.  
**Flammability:** UL 94 VO  
**Approvals:**     
 Electrical shock-safe as per IEC standards 60127 & 60065

**Mounting Hole**
